STUDYING ABROAD

IF YOU DECIDED TO STUDY ABROAD TO LEARN A NEW LANGUAGE, MAKE FRIENDS ALL OVER THE WORLD OR GET TO KNOW A DIFFERENT COUNTRY WE HAVE SOME ADVICES FOR YOU

Adapt to a new environment

- be brave enough to enter new community
- be open for new adventures
- Respect others (religion, habits..)
- Adapt new climate zone
- be prepared for different food, prices
- inform yourself about university and accomodation

New language

- check if lessons are in English
- try to get basic knowledge
- sorround yourself with native speakers
- take lessons/courses

Meeting people with diverse cultural, ideological point of views

- Be open-minded
- Try out new activities
- Share experiences,ideas
- Tell about your country and traditions

Putting effort in your studies

- Contact people who can help you
- Be organized
- Don't miss lectures

Leaving your comfort-zone

- Make new friends
- Stay in contact with family, old friends....
- Take memories with you and make new ones
- Invite people over
