Our opinion

Gabriela: *"Nobody should consume drugs because they will destroy their life and is not worth it. Keep living your life."*

Patrick: *"The police should pay more attention to notice drug sellers."*

Ylber: *"The law should be stricter to prevent drug consummation (and there also should be more specialized centers for rehabilitation, social inclusions and professional centers, where the drug consumers can take their diagnose.)"*

Our opinion

Antonia: *"It depends on the amount and type of drugs you take, but nobody should take hard drugs because they are illegal and harmful!"*

Elena: *"There should be more contact points for addicts in order to help them stop taking drugs and there should be stricter observations."*
